

NethServer 6 - Bug #2876

Notification "\${0}%" string flashes on login screen

09/16/2014 08:36 AM - Davide Principi

Status: CLOSED	Start date:
Priority: Normal	Due date:
Assignee:	% Done: 100%
Category: nethserver-base	Resolution:
Target version: v6.5	NEEDINFO: No
Security class:	
Affected version: v6.5	
Description	
When a login page is rendered, a black label is shown for a while over the top of the login form: \${0}% +-----+ Welcome... The same happens on Chrome and Firefox.

Nethesis UI template: fixed page hiding while loading external resources. Refs #2876

This change makes CSS "display" property independent from its base value. Actually in Login page it is "flex", while it is "block" on the others.
