

NethServer 6 - Enhancement #3127

Samba: enable recycle bin on home directories

04/20/2015 10:26 AM - Davide Principi

Status:	CLOSED	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	100%
Category:	nethserver-samba	NEEDINFO:	No
Target version:	~FUTURE		
Resolution:	REJECTED		
Description			
The recycle bin is available on ibays but is missing for home directories. Implement a prop to set it enabled in [homes] section of /etc/smb.conf			

History

#1 - 05/13/2015 09:48 AM - Davide Marini

It should work with a template-custom:

```
cat /etc/e-smith/templates-custom/etc/samba/smb.conf/71hometrash
```

```
#
```

```
1. 71hometrash (custom) #
[homes]
vfs objects = full_audit recycle
recycle: exclude_dir = /tmp/temp/cache
recycle: repository = Recycle Bin
recycle: versions = True
recycle: keptree = True
recycle: touch = True
recycle: directory_mode = 0770
recycle: exclude = .tmp|.temp|*.o|*.obj|~$*
```

```
[global]
```

#2 - 08/25/2016 12:02 PM - Giacomo Sanchietti

- Status changed from NEW to CLOSED

- % Done changed from 0 to 100

- Resolution set to REJECTED

Won't do it on ns6; if someone request it again open a new issue for ns7
